

WINNER

SCOTLAND FOOD & DRINK

**& Excellence
Awards 2023**

MOSSGIEL ORGANIC MILK

100% Scottish

Non-homogenised
our 'low and slow'
brewing process keeps
the natural goodness as
it is with the cream
rising to the top

100% Organic

Our next goal to be
Carbon Neutral by
Dec 2025

ZERO

single-use plastic,
we ditched the nasty
stuff back in 2019

REUSABLE PACKAGING

WE LOVE QUESTIONS!

Please ensure you
book a farm tour to
see all the behind
the scenes action

MOSSGIEL VENDING MACHINE

Spotted one of our table-top vending machines yet? Our Barista bestie is like having Mossgiel Organic Milk on tap, A-MOO-ZING! Fast, accessible and mess free milk dispensing whilst doubling up as additional refrigeration space.

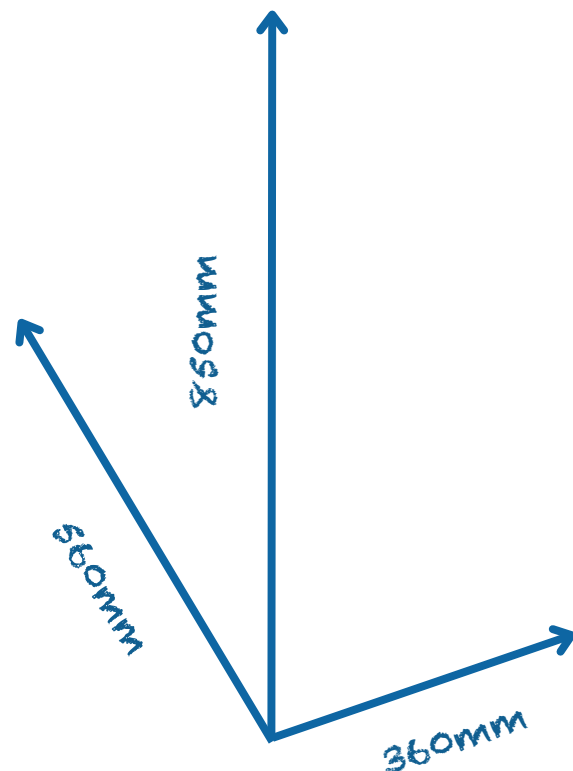

The milk is dispensed through a silicon tube which opens when a bottle or milk pitcher is pressed against it - no need to lift or open any bottles keeping your team as efficient as possible!

2 x 10L tanks
stainless steel tanks
Refill using our 5L pails
ZERO single use plastic

Electrically powered
refrigerator
Standard 3-pin plug

*Please note, Vending machine front covers may differ slightly from photo
