

NORTH UIST  
DISTILLERY CŌ

ISLAND LIFE. DISTILLED.

## OUR STORY

We started North Uist Distillery in 2019, the result of a long held dream to build a vibrant new distillery on our Scottish island home.

## OUR AIM

Based in the Outer Hebrides, our aim is to bring whisky production back to the island where we both were born and raised.

We look forward  
to sharing this  
journey with you.

# DOWNPOUR GIN

Our focus to date has been on building a profitable gin brand and a solid foundation for the business in anticipation of diversifying into whisky.

When developing the gin concept, we found that the distinct flavour of many gins was lost when mixed with tonic. Downpour Gin uses a higher concentration of botanicals than other gins on the market, giving a stronger 'downpour' of flavour.

Inspired by island life and using wild Hebridean botanicals, Downpour will appeal to customers looking for a super-premium gin with provenance and a story to tell.

## CRAFT GIN CLUB, GIN OF THE MONTH

Craft Gin Club is the UK's largest Gin club, selecting only six gins each year from the UK to share with its members. Data recently shared with us by Craft Gin Club showed that Coast & Croft was in their top 3 best reviewed gins for taste with over 45% rating it 10/10. It was also the highest scoring gin in their history for likelihood of being recommended to a friend (based on taste, branding, back story etc).
