It's quite the tale!

WE DON'T DO BLAND

WHO WE ARE

“The Taylor family has farmed in Errol, Perthshire for around 100 years – spanning four generations. We started making crisps in 2009, in partnership with the Mackie family. Our snacks range has grown since the noughties, with popcorn added in 2015, and lentil waves in 2019.

In 2022, we worked closely with the Mackies to take on full responsibility for the snacks business under the Taylor family name.

The Taylors name and branding has now rolled out across the entire product range, to reflect our family’s ownership.”
